

FIELD LEVEL RISK ASSESSMENT

SAMPLE CARD

The following two pages provide the *artwork* which was used to create the front and back sides of the Construction Owners Association of Alberta *sample* Field Level Risk Assessment Card.

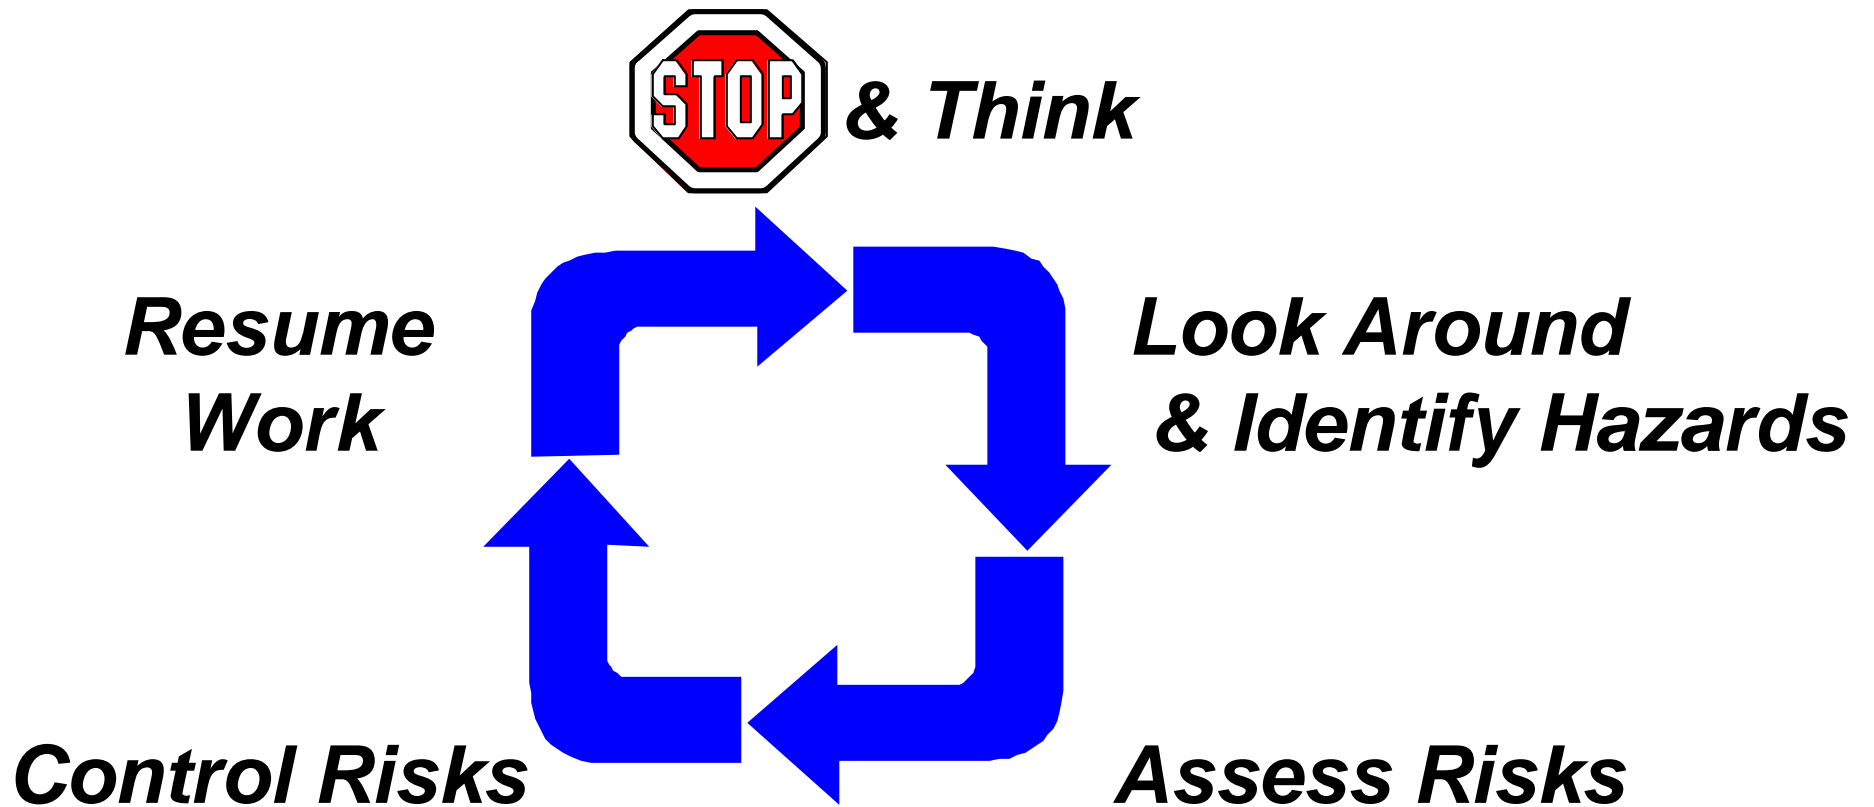

It is intended that you will modify this artwork to satisfy the needs of your company. Typically companies replace the COAA logo with their company's logo, rephrase the questions on the back side of the Card to suit their business, add their own company safety slogans, etc.

These materials can also be modified to develop posters, stickers, and other promotional materials to support the implementation of the Field Level Risk Assessment program in your company.

NOTE: *This a PowerPoint file.*

CONSTRUCTION OWNERS ASSOCIATION OF ALBERTA
Field Level Risk Assessment Process

FIELD LEVEL RISK ASSESSMENT

Questions to ask before & while doing a task:

IDENTIFY:

- ✓ **Do I clearly understand my task?**
- ✓ **Am I physically & mentally prepared to do the task?**
- ✓ **What could go wrong?**
- ✓ **Is there a risk to others or myself?**
- ✓ **What can change that could create a new risk?**
- ✓ **Could other crews, workers, or conditions pose risks to me?**

ASSESS:

- ✓ **How bad could this be?**
- ✓ **How likely is it to happen?**

CONTROL:

- ✓ **Who should I contact for help?**
- ✓ **Are permits, written practices, procedures, etc. required?**
- ✓ **What can I do to control the risk?**
- ✓ **Will the control affect another part of the task being done?**
- ✓ **Do I need to tell anyone else?**
- ✓ **Are emergency response plans required?**

**“IF IN DOUBT SHOUT”
CONTACT YOUR SUPERVISOR!**
