

FLIC – Future Leader of the Month (February 2021)

Merilla Riehl is a Contracts Advisor with Husky Energy (soon to be Cenovus). Over her extensive career both in the field and in the office, Merilla demonstrated outstanding drive for results on various projects that were delivered on budget and on time.

She is highly recognized for her laser-sharp focus and a no-nonsense approach to negotiations. Merilla leads by example with energy, optimism, and enthusiasm and is always willing to raise her hand to coach and mentor others.

Outside the office, Merilla is a “giver” and will offer herself to any friends, family or acquaintances who require any assistance, whether it be general labour, being a snow angel, picking up groceries and even babysitting.
